

## FACULTY OF LEGAL STUDIES

### **Summary Guidelines** Dissertation/Thesis Synopsis

#### **Working title**

Propose a working title of your draft synopsis.

#### **Relevance and significance of the proposed research**

This irreducibly requires of you to importantly answer: *Why* have you chosen the proposed topic?

#### **Review of literature**

Briefly review the significant literature in the area of your proposed research to persuasively answer: *How* would your proposed research contribute to the existing literature in the area of your proposed research?

#### **Research questions/aims**

*Concisely* state all your research questions/aims required *and* allowed by the scope of your proposed research.

#### **[Hypothesis]**

State your any research hypothesis if *and* as required by your proposed research.

#### **Research methodology**

State your proposed research methodology.

#### **Tentative chapterization**

Give a tentative chapterization communicating the plan of conducting your proposed research covering *all* your research questions/aims.

#### **Bibliography**

Include a short bibliography of the *relevant* literature (Please do *not* include any references you do *not* require for conducting your proposed research).

*(For all further, please consult your supervisor)*
